**[Http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment](http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment).**

**\*ACQUISITION ADVICE CODES (ACC)**

Code D. DOD INTEGRATED MATERIAL MANAGER (IMM) STOCKED, AND ISSUED. Issue, transfer, or shipment is not subject to specialized controls other than those imposed by the Integrated Material Manager/Military Service supply policy.

1. The item is centrally managed, stocked, and issued.
2. Requisitions will be submitted in accordance with Military Service requisitioning procedures.

Code H. CENTRAL CONTRACT - NOT STOCKED ITEM. Direct delivery under central contract # (non-stocked items) issue, transfer, or shipment is not subject to specialized controls other than those imposed by IMM/Service/Agency supply policy.

1. The item is centrally managed and procured.
2. Normal issue is by direct shipment from the vendor to the user at the order of the ICP or IMM. However, orders for quantities less than the vendor's minimum order of quantity may be issued from stock by ICP or IMM supply distribution facilities.
3. Requisitions and fund citations will be submitted in accordance with IMM/Service/Agency requisitioning procedures.
4. Generally, delivery will be made within applicable Service/Agency guidelines addressing customer required delivery time frame.

Code J. NOT STOCKED, CONTROLLED PROCURED. Identifies IMM/Military Service centrally managed but not stocked items. Long lead times must be anticipated, since procurement will be initiated only after receipt of a requisition. Requisitions will be submitted in accordance with IMM/Military Service requisitioning procedures.

Code L. LOCAL PURCHASE. IMM/Military Service managed items authorized for local purchase, as a normal means of support, by the Military Service, or base, post, camp, or station level. Items not stocked in wholesale distribution system of IMM/Military Service ICP. The local purchase forms authorized by the individual IMM/Military Service must be used. NOTE: GSA FSS items are included.

**E. Emergency Requisition Procedures.**

1. Deploying and/or deployed forces often need pesticides and pest management <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> on short notice. The Defense Logistics Agency has established an agency wide Contact Call Center (CCC) to help meet these needs.

2. For emergency procurement of pesticides, including repellents and pest management <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment>, pesticide application <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> and pesticide protection <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment>, etc.: Contact the Defense Logistics Agency CCC at 1-

877-DLA-CALL {1-877-352-2255}, DSN 661-7766 and press 3 then 1 for assistance. For credit card orders, press 3 and then 6 at the prompts when so prompted directed.

3 For technical logistical inquiries or emergency procurement assistance of pesticides, repellents, <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> and all chemicals, contact the DSCR Chemist at DSN 695-3995 or commercial (804) 279-3995 during normal duty hours [0800-1630 hrs. eastern standard time (EST)]. Fax number is (804) 279-3653.

#### **F. Armed Forces Pest Management Board (AFPMB) Technical Guide (TG) 24, “Contingency Pest Management Pocket Guide”.**

1. This TG is intended for field use during exercises and contingency operations by deployed forces. The purpose of TG 24 is to provide basic information on using pesticides and pest management <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> to control disease vectors and pests during field situations worldwide.

2. Most of the pesticide dispersal <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> listed in paragraph C., above, should only be used by personnel (i.e. preventive medicine or installation pest control personnel) who have been formally trained and certified in accordance with DoD 4150.7-P, “The DoD Plan for the Certification of Pesticide Applicators, September 30, 1996 or DoD 4150.7-M, “DoD Pest Management Training and Certification, April 24, 1997. All other personnel should not procure or use pesticide dispersal <http://www.afpmb.org/sites/default/files/pubs/standardlists/equipment> unless specifically authorized by Service instructions, regulations, or directives.

3. You may obtain copies of TG 24 from the AFPMB Home Page: <http://www.afpmb.org>
