MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Letter of Authorization (LOA) for Medical Units Authorized LIN P83456  
Pesticide Dispersal Unit (PDU)

1. Units are no longer authorized to ship the LIN P83456 Pesticide Dispersal Unit (PDU) with equipment authorizations when deploying.
2. The PDU is no longer authorized on medical units Table of Organization and Equipment (TOE) but it is subsequently appearing on the Modified Table of Organization and Equipment (MTOE) of some units. The error has been corrected and LIN authorization will not appear on the FY06 MTOEs of these units.
3. In the interim, all units deploying before 1 OCT 2005 are to turn-in item(s) prior to deployment. Turn-in and upgrade USR IAW guidance contained in AR 220-1.
4. The PDU was used in area spraying missions which is no longer US Army missions, but an Air Force mission. This item is no longer a requirement and should not be part of the equipment MTOE of any organization where it is documented as such.
5. Units with this equipment with any questions may contact Ms. Veretta Williams, FORSCOM, DSN 367-6313, email: [veretta.williams@us.army.mil](mailto:veretta.williams@us.army.mil) or CW2 Alesia Lewis-Dupree, FORSCOM, DSN 367-7444, email: [alesia.lewis-dupree@forscom.army.mil](mailto:alesia.lewis-dupree@forscom.army.mil).
